MESSAGE FROM THE DIRECTOR

I am pleased to present the 1988 Montana Grain Traffic Statistics publication. The Montana grain movement summary is designed to be an important source of information for Montana's grain industry and others regarding the grain-marketing patterns and transportation changes in the state. It is my hope that this publication will enable Montana grain producers and marketers to be more efficient and profitable and better able to identify existing markets and expand into new markets.

As in past publications Montana is divided into three shipping districts that are represented on the map in the introductory portion of the report. This was done in order to better assist you in understanding grain movement in Montana.

Considering the dynamic face of agriculture in the 80's, informed management decisions are even more critical to success. I feel this publication will assist in making productive grain marketing and transportation decisions.

Sincerely,

Keith Kelly
Director
